Covering the Little Lake City School District

VOLUME 5, ISSUE 18

NOVEMBER 2018–APRIL 2019

## Teacher of the Year, Joel Sanchez

The Little Lake City School District employs an outstanding staff of highly qualified and experienced teachers and classified staff members. Each day, they arrive at their classrooms or work locations prepared to perform according to district beliefs: Students First! Results Matter! and Whatever It Takes! It is my honor to highlight for readers of *School News* two of our district employees: **Teacher of the Year, Joel Sanchez** and **Classified Employee of the Year, Lisa Chavarria**.

El Distrito Escolar de Little Lake City cuenta con un sobresaliente equipo de maestros y personal clasificado altamente capacitados y con amplia experiencia. Cada día, llegan a sus aulas o lugares de trabajo preparados para desempeñarse de acuerdo a los ideales del distrito: ¡Los estudiantes primero! ¡Los resultados importan! y ¡Hacer lo que sea necesario! Es un honor para mí destacar ante los lectores de Noticias Escolares, a dos de los empleados de nuestro distrito: **Maestro del Año, Joel Sanchez y Empleado Clasificado del Año, Lisa Chavarria**.

Joel Sanchez began his career in the Little Lake City School District in 2006 as the district Adapted Physical Education Teacher. Joel understands that physical education is difficult for some, so therefore works hard to ensure that all students have a positive, safe and challenging experience in his class. Mr. Sanchez has great rapport with students, staff and community both inside and outside of the classroom. As an APE teacher who travels to multiple sites, Joel is seen as a source of support for teachers, students and parents.

## Classified Employee of the Year, Lisa Chavarria

Little Lake's Classified Employee of the Year is Lisa Chavarria. Lisa joined the Little Lake City School District in 1995 as a Library Media Specialist at Lakeview Elementary School. In September of 2006, Lisa moved to the district office to assume the role of Department Secretary for Instructional Services. Lisa has been in this role for the past 12 years and has established herself as the "glue" of the department.

If one were to visit the district and ask about Lisa, one would hear comments such as, "She has a great

## Appreciation

In November 2012, the voters of the Little Lake City School District approved two ballot measures that provide increased financial support for our schools. Measure EE, a general obligation bond, yielded funds to improve our facilities, most of which were built in the 1950s. Measure TT, a parcel tax in effect through 2018, was approved to increase student and teacher use of classroom technology, among other instructional needs. The funds from both of these measures have made a significant and positive difference for the students of Little Lake.

Funds from Measure TT, the parcel tax measure, have enabled the district to increase access and to enhance the effective use of instructional technology by students and teachers. Since the measure was passed, the district has been able to: provide up to date laptops for use by all district teachers; improve the ratio of computers to students through

## Apreciación

En noviembre de 2012, los votantes del Distrito Escolar de Little Lake aprobaron dos iniciativas que proporcionan un mayor apoyo financiero para nuestras escuelas. La Iniciativa EE, un bono de obligación general, generó fondos para mejorar nuestras instalaciones, la mayoría de las cuales fueron construidas en la década de 1950. La Iniciativa TT, un impuesto a la parcela vigente hasta 2018, fue aprobada para aumentar el uso del aula de tecnología por los estudiantes y maestros, entre otras necesidades de enseñanza. Los fondos de estas dos iniciativas están haciendo una diferencia significativa y positiva para los estudiantes de Little Lake.

Los fondos de la Iniciativa TT, la disposición del impuesto a la parcela, han permitido al distrito aumentar el acceso y mejorar el uso eficaz de tecnología de instrucción por los estudiantes y maestros. Desde

## The Mission

The mission of the Little Lake Educational Enrichment Foundation (LLEAF) is to enrich and support the educational programs of the Little Lake City School District through community fundraising, active involvement, and awareness of the district's and students' needs. Toward that end, LLEAF sponsors a Fourth of July fireworks sale every summer. The LLEAF Board of Directors would like to thank all of you who recently supported the foundation through your purchase of fireworks from our stand. The proceeds from the fireworks sale will be distributed to our teachers this fall in the form of classroom mini-grants up to \$1,000. Your support will be experienced directly by our students through educational enhancements such as field trips, library books, or special technology equipment. LLEAF looks forward to working with our partners in the community to help realize our mission in the coming year.

## La Misión

La misión de la Fundación Little Lake para el Avance Educativo (LLEAF, por sus siglas en inglés) es enriquecer y apoyar los programas educativos del Distrito Escolar de Little Lake mediante la recaudación de fondos de la comunidad, la participación activa y la sensibilización de las necesidades del distrito y de los estudiantes. Con ese fin, LLEAF patrocina cada verano la venta de fuegos artificiales del 4 de Julio. El consejo de Administración de LLEAF quiere agradecer a todos ustedes que recientemente apoyaron a la fundación a través de la compra de fuegos artificiales en nuestro puesto. Los ingresos de esta venta serán distribuidos a los maestros este otoño en forma de mini-becas por salón de hasta \$1,000. Su apoyo será experimentado directamente por nuestros estudiantes a través de mejoras educativas, tales como viajes de estudio, libros para la biblioteca o equipos especiales de tecnología. LLEAF espera con interés poder trabajar con nuestros colaboradores en la comunidad para ayudar a cumplir nuestra misión en el próximo año.

### Welcome to the 2018–19 School Year!

It's hard to believe that I am beginning my 30th year in education! I earned my Bachelor of Arts degree and my multiple-subjects teaching credential from California State University, Stanislaus. I spent the first nine years of my career teaching in Patterson, California, before moving to Southern California to teach in Anaheim. I completed a Master of Science degree in education with an emphasis in curriculum and instruction, and a reading certificate from California State University, Fullerton. I later decided to pursue an administrative position, so I obtained my administrative services credential. After serving in a variety of positions with the Anaheim City School District over the next 15 years, I joined Little Lake City School District as the principal of Cresson Elementary in the 2013–14 school year.

It is a tremendous honor to be able to serve as the principal of Cresson Elementary School. I am looking forward to continuing the productive work that we are doing as a school community.

### Be a Buddy, Not a Bully

Lake Center Middle School students have been exceptional participants in the activities happening on campus each

week. We kicked off the school year with Friendship Week in September, and it was a hit. We have been working with our students on promoting kindness and respectful peer relationships. Various activities were offered during the week to build a positive school community.

In October, National Anti-Bullying Month, students participated in classroom lessons and activities, including signing the Anti-Bullying Pledge committing to stand up to bullying and to promote being “buddies, not bullies!”

We also have a strong presence in Leopards Always Unite Friends, a club where students always belong. This club allows them to be involved firsthand in helping to promote friendship and kindness across campus.

These are a few of the activities at Lake Center that encourage a positive school climate for every student, every day!

### Energetic New Leader

It is a great honor and privilege to be serving as the new principal of Jersey Avenue Elementary School. I have been an educator for 20 years in multiple districts and have been both an elementary and a middle school teacher. I have been with Little Lake City School District (LLCSD) since 2007, first as an English language arts, history and math teacher at Lakeside Middle School and most recently as a math coach for LLCSD. I began my career as an elementary school teacher, including as a bilingual teacher, for nine years in Los Angeles Unified School District. I was a middle school math teacher in East Whittier City School District and a math coach in Paramount Unified School District. I have also worked as curriculum consultant to local districts, most recently as a math lead teacher for California State University, Dominguez Hills.

As a math coach, I had the privilege of providing parent trainings and professional development to many of Jersey's parents and educators and can attest to the special community that makes up Jersey. My heart is in Little Lake City School District and the Jersey community family. I truly believe in its shared mission to provide a quality education that ensures success for every student. I am dedicated to setting high expectations for student achievement, and I support all students by providing quality instruction within an equitable and accessible learning environment. I am also committed to fostering a collaborative and continuous professional learning community among all of Jersey's stakeholders. Additionally, I am invested in ensuring a safe school with a positive culture and empowering our school community. I look forward to working alongside the Jersey community.

### A Commitment to Success

Welcome to the 2018–2019 school year! I am excited to begin my second year as principal of Lakeland Elementary School, and I want to thank all of our parents and families for making the first month of school a success.

Our teachers and staff members have been spending time reviewing rules and procedures with the students, and they are now vigorously working on providing a high-quality education. We have also started our Response to Intervention model, where student achievement data is used to ensure that instruction is tailored to each student's individual needs. Our teachers continue to work hard to see that all of our students' needs are being met.

As mentioned during Back to School, this is our first full year of Positive Behavior Interventions and Supports (PBIS). With this comes some exciting new things for Lakeland.

We are now focused on rewarding students for positive behavior by hosting weekly prize drawings. Students can win prizes by submitting their ROARS tickets, and may also win class prizes for Golden Tickets, which the classes can earn by demonstrating their positive behavior as a whole.

Our goal is to also have a 97 percent attendance rate. Students with 100 percent attendance for the month (meaning no absences, no tardies, and no early release) will be invited to “Party on the Playground.”

I am thrilled to begin this year with our tight-knit Lakeland community. Our commitment to student success is evident from my interactions with our parents and staff. Together we are dedicated to social and academic success.

I look forward to a ROARtific year!

### Mustang Pride

It is my pleasure to welcome all Lakeside Middle School Mustangs back to school! I have the honor of working with a dedicated team that inspires our students and their families to show their Mustang pride every day.

**Ana Gutierrez**  
*Principal*

I have enjoyed a career in education, serving for the last 32 years as an elementary and middle school science teacher. I received a bachelor's degree in English, my teaching certification, and a master's degree in educational administration from California State University, Los Angeles. I also earned a master's degree in teaching science from California State University, Fullerton.

I first entered administration in 1998 as a categorical programs site administrator and eventually accepted a position as a district coordinator for Montebello Unified School District. In 2008, I accepted the position of principal at Paddison Elementary School, and now I am excited to continue my administrative career as the principal of Lakeside.

I look forward to serving the Lakeside community, and I anticipate another exciting year!

Go, Mustangs!

## Lakeview *Elementary*

### Recipe for Success!

We welcome you to the 2018–19 academic year! It is with great enthusiasm that I begin my first year as principal of Lakeview Elementary School. I grew up attending schools in the neighboring city of Downey, and I am a proud graduate of Downey High School. I have earned undergraduate and graduate degrees from California State University, Channel Islands and the University of Southern California. I also hold both an administrative-services credential and a multiple-subject teaching credential. I began my career as an elementary teacher and served most recently as a categorical-resource-teacher specialist. I have a strong passion for supporting the learning that occurs between teachers and students in the classroom.

**Michael Williams**  
*Principal*

At Lakeview, we are committed to providing every student with a successful educational experience in an environment that supports their academic and socioemotional needs. Our teachers work collaboratively in professional learning communities to ensure a rigorous, standards-based curriculum and engaging, research-based teaching strategies. Add in our infusion of technology, and Lakeview teachers are ready to lead our students to become 21st century critical thinkers and problem solvers.

Lakeview is truly a special place made up of dedicated staff, supportive families and exceptional students. I am looking forward to a fun and successful school year! Go Lions!

## William Orr *Elementary*

### Working Towards Success

I am pleased to once again introduce myself to our community. My educational background includes a bachelor's degree in Spanish from CSULB and a master's degree in education with an emphasis in K–12 reading from CSULA. In addition, I have a multiple subject credential and a preliminary administrative services credential.

**Rebecca Casillas**  
*Principal*

I began my teaching career in 1999, and joined the Little Lake team as a teacher at Orr in 2004. I have taught many grades throughout my career, including the primary and upper grades and even middle school. I have also been fortunate to serve as a literacy coach, ELD coordinator, and a master teacher for student teachers. In December of 2012 I accepted the role of interim principal at Orr, and am absolutely thrilled to continue to serve as William Orr's principal.

I have also been a proud LLCSD parent since 2000. My boys have gone through Studebaker, Orr, and Lakeside. As both a former teacher and parent in the district, and at Orr, I can't say enough about our wonderful staff and instructional program. We truly embody the statement "Students First," and pride ourselves on ensuring every student's success.

Orr had a fantastic 2017–2018 school year. We were gratified to again be named a CBEE Honor Roll School for the eighth time. We also kicked off our PBIS implementation focusing on positive student behavior and a positive school climate, and saw encouraging results. We continue to strive for excellence, and support our students' many needs. The many accolades we have received over the years are a testament to this.

Our work towards success will continue this year. I look forward to picking up where we left off last year. We are working hard to meet the needs of our students and community. Thank you for entrusting your child to us at Orr, and welcome to our team!

## Paddison *Elementary*

### Good, Better, Best!

Welcome to the 2018–19 school year! My name is Dr. Martinez-Vargas; I serve as Paddison Elementary School's principal. Our motto at Paddison is "Good, Better, Best—Never Let It Rest Until Our Good is Better and our Better is Best."

As is implied in our motto, we strive for continuous improvement, always supporting one another as we move to the next level. Paddison is a safe learning environment where all students access high levels of learning. Students, their families, teachers and our surrounding community form a powerful and dynamic partnership. Together, we make it possible for our all our students to engage in a school year filled with reading, writing, mathematics, enrichment activities, friendships and adventures in education.

Let's keep working together! Students should arrive at school by 8:00 am. Don't be late! Don't miss a day! Check out our website or current events. I have great expectations for an amazing and productive school year!

As always, go Panthers!

# Studebaker *Elementary*

## Anticipating More Success!

Welcome to the 2018–19 school year! I am honored to be the principal at Studebaker Elementary School.

**Paula Rode**  
*Principal*

I earned my bachelor's degree, master's degree and teaching credential from the University of La Verne. I began my teaching career as a fourth- and fifth-grade teacher. After several years of teaching, I decided I wanted to be a principal. I earned my administrative credential from APU. I was a principal for 14 years at a K–5 school, which I expanded to become TK–8. I was also coordinator of special education inclusion and compliance.

I am very excited to be at Studebaker for a second year. My passion is working with students, staff and families. The Studebaker staff is fabulous and the students are very polite and respectful. I am looking forward to a great year. I know that by working together, we can provide students with a great education!

the purchase of portable computer devices; increase our technical and professional development support to users; and repair/replace obsolete equipment. This investment in incorporating twenty-first technology into the teaching and learning process is already evident in students’ increased skills and confidence levels.

I am happy to report that in June of 2018, the Little Lake voting community again expressed its support and appreciation of the district by passing another parcel tax, Measure LL. On behalf of the Little Lake City School District, I wish to express my appreciation to the community for again investing in the future of our district and our students. Funds from Measure LL will be used to continue our goal of increasing access and enhancing the effective use of instructional technology by students and teachers.

The Little Lake City School District takes our responsibility as stewards of the public dollars very seriously. With this charge in mind, it is our intention to spend every dollar of public support in a manner that has a direct and positive effect on the students we serve. Your trust and support of the district are very much appreciated.

que la disposición fue aprobada, el distrito ha sido capaz de: proporcionar computadoras modernas portátiles para uso de todos los maestros del distrito; mejorar la proporción de computadoras con respecto a los estudiantes mediante la compra de dispositivos informáticos portátiles; aumentar nuestro desarrollo técnico y profesional de apoyo a los usuarios; y la reparación/sustitución de equipos obsoletos. Esta inversión en la incorporación de tecnología de siglo XXI en el proceso de enseñanza y aprendizaje, es ya evidente en el aumento de habilidades y niveles de confianza de los estudiantes.

Me da placer informar que en junio de 2018, la comunidad de votantes de Little Lake expresó nuevamente su apoyo y apreciación del distrito al aprobar otro impuesto a la parcela, la Iniciativa LL. En nombre del Distrito Escolar de Little Lake, deseo expresar mi agradecimiento a la comunidad por invertir nuevamente en el futuro de nuestro distrito y de nuestros estudiantes. Los fondos de la Iniciativa LL, se utilizarán para continuar nuestro objetivo de aumentar el acceso y mejorar el uso eficaz de tecnología de instrucción por los estudiantes y maestros.

El Distrito Escolar de Little Lake toma muy en serio nuestra responsabilidad como administradores de fondos públicos. Con este compromiso en mente, es nuestra intención gastar cada dólar de apoyo público de manera que tenga un efecto directo y positivo en los estudiantes a los cuales servimos. Su confianza y apoyo para el distrito son altamente apreciados.
