Covering the Little Lake City School District

VOLUME 4, ISSUE 16

NOVEMBER 2017–FEBRUARY 2018

Teacher of the Year and Classified Employee of the Year Maestro del Año y Empleado Clasificado del Año

By Bill Crean, Superintendent

The Little Lake City School District employs an outstanding staff of highly qualified and experienced teachers and classified staff members. Each day, they arrive at their classrooms or work locations prepared to perform according to district beliefs: Students First! Results Matter! and Whatever It Takes!

This month, it is my honor to highlight for readers of *School News* two of our district employees: **Teacher of the Year, Frank Bunten and Classified Employee of the Year, Ida Aguilar.**

Frank Bunten began his career in the Little Lake City School District in 2009 as a History Social Science Teacher at Lakeside Middle School. At Lakeside, Frank leads the AVID schoolwide movement by providing professional development in the area of WICOR strategies and lesson design, teaching an AVID elective class, supporting the other AVID elective teachers and helping the school to being recognized as an AVID Site of Distinction for two consecutive years. Frank also has taken a lead role in implementing project-Based learning at Lakeside Middle School.

Frank Bunten

Ida Aguilar

By Bill Crean, Superintendent

El Distrito Escolar de Little Lake City emplea a un destacado equipo de maestros y personal clasificado, altamente calificados y con experiencia. Cada día, llegan a sus aulas o lugares de trabajo preparados para desempeñarse de acuerdo a los ideales del distrito: ¡Los Estudiantes Primero! ¡Los Resultados Importan! y ¡Hacer lo que Sea Necesario!

Este mes, es un honor para mí destacar ante los lectores de Noticias Escolares a dos de nuestros empleados del distrito: **Maestro del Año, Frank Bunten y Empleado Clasificado del Año, Ida Aguilar.**

Frank Bunten inició su carrera en el Distrito Escolar de Little Lake City en el año 2009, como Maestro de Historia y Ciencias Sociales en la Escuela Intermedia Lakeside. En Lakeside, Frank dirige el movimiento AVID en toda la escuela, proporcionando desarrollo profesional en el área de estrategias WICOR y diseño de lecciones, impartiendo una clase optativa AVID, apoyando a los otros maestros de clases optativas AVID y ayudando a que la escuela sea reconocida como Sitio de Distinción AVID por dos años consecutivos. Frank también ha asumido un papel de liderazgo en la implementación del aprendizaje

BOARD OF EDUCATION

Beyond the Board Meetings... your Board of Education regularly participates in school and districts events. We do this to represent the Board's commitment to our entire educational community. Not all Board members can make each event, but like you, the representation continues despite jobs, illnesses, family activities, and all the other things that take up all of our days, every day.

You may ask, "Are there examples of the events Board members attend?" Yes! It is our pleasure to attend: Back to School and Open House Nights; school and district performances; middle schools promotions; the Santa Fe High School Bridge Program promotion;

Richard Martinez
President

Más allá de las reuniones del Consejo... el Consejo Educativo participa regularmente en eventos escolares y del distrito. Hacemos esto para representar el compromiso del Consejo con toda nuestra comunidad educativa. No todos los miembros del Consejo pueden asistir a cada evento, pero la representación continúa a pesar de los trabajos, enfermedades, actividades en familia y todas las otras cosas que ocupan nuestros días, todos los días.

Usted se puede preguntar, "¿Hay ejemplos de los eventos a los que asisten los miembros del Consejo?" ¡Sí! Es un placer asistir a: Noches de Regreso a la Escuela y Open House; espectáculos de las escuelas y del distrito; promociones de las escuelas

Opportunities

By Bill Crean, Superintendent

This year we have increased parent training opportunities.

We will continue to provide college credit courses through Cerritos College. Parents are able to complete General Education Diploma (GED) courses, take English as a Second Language (ESL) courses, and technology courses. Additional training opportunities include a focus on parent involvement, teamwork, the road to college, and growth mindset. Local community centers will provide trainings on emotional health and parenting courses. Cyber Safety training was provided for parents as a means to monitor their students use of technology, with a focus on social media. Examples of our parent

Oportunidades

Este año hemos ampliado las oportunidades de capacitación para padres.

Continuaremos ofreciendo cursos de acreditación universitaria a través del Colegio de Cerritos. Los padres pueden completar los cursos de Diploma General de Equivalencia de Estudios Secundarios (GED), tomar cursos de Inglés como Segundo Idioma (ESL) y cursos de tecnología. Las oportunidades de capacitación adicionales incluyen un enfoque en la participación de los padres, el trabajo en equipo, el camino hacia la universidad y la mentalidad de crecimiento. Los centros comunitarios locales ofrecerán capacitaciones sobre salud emocional y cursos para padres. Se proporcionó a los padres capacitación sobre

Safe in Cyberspace

During August and September, Lake Center Middle School's focus was on cybersafety. Both parents and students were invited to participate in cybersafety assemblies that provided them with information on how to stay safe while exploring the internet. Students and parents were given guidelines and tips on navigating different social-media platforms, and students were reminded not to talk to strangers on the internet because profiles may not represent who is actually behind the computer.

The presentation also addressed cyberbullying and asked students to avoid responding to unkind words or photos. Parents and guardians were also advised to always have access to accounts and devices that their children may be using. Overall, we want to ensure that our students are safe not only while they're physically on campus but also when their "cyberselves" explore the World Wide Web.

Kay Coop
Founder/Publisher

Congratulations to the Teacher and Classified Employee of the Year. Personally, I'd like to thank all teachers and classified employees for their dedication to students.

Congratulations to Andrea Gomez our word search contest winner for September! There wasn't space in this issue for a contest; however, on our web site we have a podcast contest. Simply listen to the podcast to hear the word of the month and email it to kay@schoolnewsrollcall.com.

Our next issue is May 16. In the meantime, Happy Holidays!

Linda Rigg
Principal

Deaf and Hard of Hearing Program

Cresson Elementary School is proud to be the home of one of the few programs serving deaf students in the local area. We serve students and families in preschool through fifth grade in a Total

Communication program, which includes American Sign Language (ASL) and speech

therapy. In addition to academic instruction, our Deaf and Hard of Hearing (DHH) program empowers students to become self-advocates who are aware of their needs and capabilities, know how to access resources such as sign interpreters, and know how to engage and interact with their hearing peers.

Cresson's DHH program has been part of Little Lake City School District for more than 30 years. Throughout the years, we have encouraged awareness of deaf culture, the deaf community, and deaf education.

Our hearing students and staff are exposed to presentations about the deaf culture and our deaf friends and have been taught a few basic signs to facilitate communication. In addition, we have offered afterschool classes in ASL to students, parents, and district staff.

Walk to School Day

Jersey Avenue Elementary School proudly participated in the City of Santa Fe Springs' second annual Walk to School Day event. This is a wonderful event that connects the community around creating a safer, more walkable environment for school children and their families. It also brings school communities together to celebrate the fun and healthy benefits of walking, and to spotlight the importance of traffic safety.

Students, parents, school staff, administration, and valued community members joined in a morning walk that offered fun physical activity. Students were escorted by Santa Fe Springs Public Safety Officers as well as by Officers from the Whittier Police Department. Over fifty fifth grade students participated in this wonderful event! The event was fun for all that participated.

Jersey Avenue 5th Grade Students Participate in the 2nd Annual Walk to School Day

Principal

Back to School Night

We had a fantastic September at Lakeland Elementary! We started our first full month of school with Back to School Night in September! We had an amazing turnout from our parents and students. This event was an opportunity for parents to meet with their children's teacher and receive an overview of the grade-level requirements and expectations.

The evening consisted of two presentations per classroom that allowed parents with multiple children to attend one of the two sessions. As everyone walked through the classrooms, the excitement of the beginning of the school year was evident. The high participation from parents reinforced the continued dedication to our students from our community.

Our amazing PTA supported our Back to School Night by selling Lakeland T-shirts and sweatshirts and hosting our Book Fair. Thank you, parents, students, teachers and staff for an amazing evening! We will continue to work collaboratively to ensure students' success.

Peace Day

We are excited to welcome our new PTO to Lakeside Middle School! We had a fantastic start to the school year as our amazing PTO, led by Martha Rangel, organized a special celebration. The International Day of Peace is observed around the world each year on September 21. Established in 1981 by a unanimous United Nations resolution, Peace Day provides a globally shared date for all humanity to commit to peace above all differences and to contribute to building a culture of peace.

Our PTO members managed booths for students to enjoy. Students jumped right into face painting, peace crane origami, watercolors, chalk drawings, bead necklaces and bracelets, and the always-fun lanyard table! Mayor Luigi Vernola also joined the fun, while students interacted with our volunteers, laughed with their friends, and thoroughly enjoyed the event.

Given the onslaught of current events, a day of peace couldn't be more timely!

Lakeview *Elementary*

11500 Joslin St., Santa Fe Springs, CA 90670 • 562/868-8655 • <http://lakeview.llcsd.net/>

Lauren Hernandez
Principal

Our Local History

This past month our third-grade classes had the opportunity to participate in a walking field trip to Heritage Park in the City of Santa Fe Springs. This field trip exposed students to two grade-level standards, including Native American nations in their local regions and change in their community over time.

Our students were able to visit the Carriage House and see a variety of artifacts from the early days of Santa Fe Springs. The students particularly enjoyed seeing the old typewriter, bicycle, and pictures of the first school located in the city.

Students also visited the Tongva exhibit on site. The Tongvas built a village in close proximity to Heritage Park. The students learned about early life in the Tongva village and enjoyed viewing the kiches, which were the dome-shaped structures in which they lived.

We are so fortunate to have a wonderful resource right within our own backyard.

Paddison *Elementary*

12100 Crewe St., Norwalk, CA 90650 • 562/868-7741 • <http://paddison.llcsd.net/>

Dr. Lorena Martinez-Vargas
Principal

Civic Engagement

Paddison's awesome teachers engage students in higher-level thinking in the classroom, and they also relate classroom learning to real life. Our second-graders, for example, not only study leadership and community but they also experience community leadership in action. Our second-graders and their teachers safely walked to Norwalk City Hall for an opportunity to experience leadership within their community. They saw various departments, learned about community resources, enjoyed lunch, and had a great time! We are grateful for these opportunities to make real-life connections!

While our second-graders made connections regarding leadership and community, our fourth- and fifth-graders were busy learning about leadership and government firsthand as they participated in campaigning and elections for Paddison's Student Council. Over the past few weeks, fifth-grade students campaigned for student council positions such as president, vice president, secretary and treasurer. With the campaigning process, we saw our students engage in critical thinking, communication, collaboration and creativity—21st century learning and innovation skills. Candidates prepared speeches that were delivered in front of their peers. Paddison's Student Council Elections took place November 2, and we made the board announcements Nov. 3.

We hope to teach all our students civic-engagement and social-responsibility lessons that will last a lifetime. We also hope to teach the importance of making their voices count by voting and the importance of voting responsibly.

As always, Go Panthers!

Happy Thanksgiving!

Studebaker *Elementary*

11800 Halcourt Ave., Norwalk, CA 90650 • 562/868-7882 • <http://studebaker.lcsd.net/>

Paula Rode
Principal

Fall Fun

Studebaker Elementary School is enjoying a fabulous school year! We had a wonderful turnout for Back-to-School Night. Thank you to everyone who attended. September ended with Crazy Sock Day, sponsored by PTA. The students and parents got very creative. We also had an afternoon of dancing at our sock hop! Great fun was had by all.

Parent conferences were the week of October 2–6. Hopefully you had the opportunity to meet with your child's teacher. Please check your child's homework nightly. Reading is the one thing that should be done every day. Read to your student, take turns reading, let your child read to you, and, most of all, enjoy spending time together.

October is always a fun month. Please mark your calendar for October 25 at 5:30 p.m. for Scary Spooky Story Night. The annual Halloween parade will be held on October 31 at 9 a.m. Families are invited to join in the fun.

William Orr *Elementary*

12130 S. Jersey Ave., Norwalk, CA 90650 • 562/868-7988 • <http://williamorr.lcsd.net/>

Rebecca Casillas
Principal

Parent Days

William Orr Elementary School is pleased to provide multiple opportunities for parents to be involved in their children's education by continuing to offer Parent Days. On these days, parents are invited to join their child for a morning filled with fun and learning.

The morning kicks off with a continental breakfast for all participants. Afterwards, parents are invited to join their students in the classroom to participate in an interactive lesson. Our goal is to provide parents with skills and strategies to support their children at home and also offer an opportunity for families to spend quality time together.

For the 2017–2018 school year, we will be offering two Parent Days. Our first one will be on Tuesday, November 14 and will focus on math. Our second one will be in March and will focus on science. We encourage all parents to mark their calendars and join the fun!

Dr. Bill Crean
Superintendent

In his Teacher of The Year Application Frank wrote the following, “My personal view on teaching is developing lessons that allow all levels of learners to build confidence in their academic abilities and not lose confidence. I want to build a classroom environment that is a safe harbor where students feel they can explore, struggle, make lots of mistakes and have small and large academic successes. I also believe that it is really important that I make history a subject that students will remember not hate when they get older in life. I run into so many people who say they hate history because it’s boring. When students leave my history classroom I hope they have gained a great appreciation of being a historian, be a civic minded citizen and gained skills that will help them achieve success in their life.” We are all proud to have Frank represent the Little Lake City School District as the 2017 Teacher of the Year.

Little Lake’s Classified Employee of the Year is **Ida Aguilar**. Ida joined the Little Lake City School District in 1987 as an Instructional Assistant at Jersey Avenue Elementary School. In September of 1993, Ida became an Instructional Assistant at William Orr and a Bilingual Instructional Assistant at Studebaker Elementary. In January of 1995, Ida returned to Jersey as a Library Instructional Assistant and in February 2001 became the Jersey Library Media Specialist. A position she held for nine years. In 2010, Ida decided she wanted to work with middle school students and took a position as an Instructional Assistant at Lake Center Middle School. Ida is beginning her eighth year as a middle school Instructional Assistant.

If one were to visit the district and ask about Ida, one would hear comments such as, “she is passionate about what she does.” “She always puts student needs first,” “She is always willing to share her time, thoughts and ideas.” “She can tell a great story” and “She is a very kind and calm person who can always be counted on to lend a helping hand.” We are all proud to have Ida represent the Little Lake City School District as the 2017 Classified Employee of the Year.

The Little Lake City School District is extremely fortunate to have employees of the caliber of Frank Bunten and Ida Aguilar. Both serve as worthy representatives of our professional staff.

basado en proyectos en la Escuela Intermedia Lakeside.

En su Aplicación para Maestro del Año, Frank escribió lo siguiente, “Mi punto de vista personal sobre la enseñanza es el desarrollo de lecciones que permitan a los estudiantes de todos los niveles generar confianza en sus habilidades académicas y no perder la seguridad. Quiero construir un ambiente en la clase que sea un sitio seguro donde los estudiantes sientan que pueden explorar, esforzarse, cometer muchos errores y tener pequeños y grandes éxitos académicos. También creo que es realmente importante hacer de la historia una materia que los estudiantes recuerden que no odiaban, cuando se hagan mayores en la vida. Me encuentro con tantas personas que dicen que odian historia porque es aburrida. Cuando los estudiantes salen de mi salón de historia espero que hayan adquirido el gran aprecio que representa ser historiador, ser un ciudadano con conciencia cívica y haber adquirido habilidades que les ayudarán a lograr el éxito en su vida”. Todos estamos orgullosos de tener a Frank representando a Little Lake City como Maestro del Año 2017.

El Empleado Clasificado del Año de Little Lake es **Ida Aguilar**. Ida se integró al Distrito Escolar de Little Lake City en 1987 como Asistente de Instrucción en la Escuela Primaria Jersey Avenue. En septiembre de 1993, Ida se volvió Asistente de Instrucción en William Orr y Asistente de Instrucción Bilingüe en la Escuela Primaria Studebaker. En enero de 1995, Ida regresó a Jersey como Asistente de Instrucción de la Biblioteca y en febrero de 2001 se convirtió en Especialista en Medios de la Biblioteca de Jersey. Posición que ocupó durante nueve años. En 2010, Ida decidió que quería trabajar con estudiantes de la escuela intermedia y tomó una posición como Asistente de Instrucción en la Escuela Intermedia Lake Center. Ida ha iniciado su octavo año como Asistente de Instrucción de la escuela intermedia.

Si alguien visita el distrito y pregunta sobre Ida, escucharía comentarios como, “Ella es apasionada en lo que hace”. “Siempre pone las necesidades de los estudiantes primero”, “Siempre está dispuesta a compartir su tiempo, pensamientos e ideas”. “Puede contar una gran historia” y “Es una persona muy amable y tranquila con la que siempre se puede contar para tender una mano de ayuda”. Todos estamos orgullosos de que Ida represente al Distrito Escolar de Little Lake City como Empleada Clasificada del Año 2017.

El Distrito Escolar Little Lake City es sumamente afortunado de contar con empleados del nivel de Frank Bunten e Ida Aguilar. Ambos son dignos representantes de nuestro personal profesional.

OPPORTUNITIES / Oportunidades • From Page 1

offerings include:

- GED Courses (30 weeks)
- ESL Courses (30 weeks)
- Computer Courses (30 weeks)
- Growth Mindset Class (6 sessions)
- University is Not a Dream (6 sessions)
- Emotional Health (6 weeks)

Little Lake Math Coaches are currently teaching our parents about math strategies and concepts that classroom teachers are using with students on a daily basis. The goal of this training is to ensure that parents understand how and what students are learning in math. This allows parents the opportunity to practice and be engaged in the same strategies that their children practice. There is an emphasis on growth mindset in these trainings which emphasizes that we can all learn regardless of our past experiences. This is especially important as children are using more exploratory and real world application to gain conceptual understanding of mathematics. These trainings are held in the evenings and are provided by grade level spans and are done in English and Spanish to ensure that all our parents have access to these trainings.

Seguridad Cibernética, como un medio para supervisar el uso de la tecnología de sus hijos, prestando especial atención a las redes sociales. Ejemplos de nuestros ofrecimientos para los padres incluyen:

- Cursos de GED (30 semanas)
- Cursos de ESL (30 semanas)
- Cursos de Computación (30 semanas)
- Clases sobre Mentalidad de Crecimiento (6 sesiones)
- La Universidad No es un Sueño (6 sesiones)
- Salud Emocional (6 semanas)

Los Capacitadores de Matemáticas de Little Lake están enseñando a nuestros padres acerca de las estrategias y conceptos matemáticos que los maestros utilizan diariamente

con los alumnos. El objetivo de esta capacitación es asegurar que los padres entiendan cómo y qué están aprendiendo en matemáticas los estudiantes. Esto permite a los padres la oportunidad de practicar y participar en las mismas estrategias que practican sus hijos. En estas capacitaciones, se hace hincapié en la mentalidad de crecimiento que destaca que todos podemos aprender independientemente de nuestras experiencias pasadas. Esto es especialmente importante ya que los niños están utilizando aplicaciones más exploratorias y del mundo real para obtener una comprensión conceptual de las matemáticas. Estas capacitaciones se llevan a cabo en las tardes y se proporcionan de acuerdo al nivel de grado, además se hacen en Inglés y Español para asegurar que todos nuestros padres tengan acceso a estos entrenamientos.

Little Lake Educational Advancement Foundation

10515 Pioneer Blvd., Santa Fe Springs, CA 90670 • 562/868-8241 • www.littlelake.k12.ca.us/lleaf

The Little Lake Educational Advancement Foundation (LLEAF) exists to enhance the education of students of the Little Lake City School District. Since its establishment in 2010, LLEAF has generated funds that have gone directly to classroom teachers for materials and experiences that contribute to the education our students receive.

The LLEAF Board of Directors serves as the governing body of the foundation. The LLEAF Board is led by Co-Presidents Tony Ayala and Jeff Mahlstedt. Other Board members include Treasurer Jose Manuel Rodriguez (district teacher/parent), Auditor Maria Gutierrez (district teacher) and Secretary Lisa Chavarria (district employee). Other individuals comprising the LLEAF Board are: Bertha Aranda (district employee); Lynn Berg (former LLCSD Board member); Manny Correa (district employee); Bill Crean (district superintendent); Efrain Gastelum (district parent); Maria Gonzalez (district employee); Ana Gutierrez (district employee); Martha Hanamaikai (district parent); Janice Lawver (former district employee); Arais Madan (district employee); Jeff Mahlstedt (community supporter); Martha Rangel (district parent); Laurie Rios (community member); Yasmin Ruiz (district teacher); Dora Sandoval (LLCSD Board member); Jay Sarno (Santa Fe Springs City Councilmember and business supporter); Luigi Vernola (Norwalk City Councilmember and business supporter); Hilda Zamora (LLCSD Board member) and Jose Angel Zamora (Santa Fe Springs City Councilmember).

Working together the LLEAF Board of Directors continues to support the schools of the Little lake City School District.

On a final note, please save the date of Friday, March 9, 2018 for the LLEAF Annual Golf Tournament and watch for further details.

La Fundación para el Progreso Educativo de Little Lake (LLEAF) existe para mejorar la educación de los estudiantes del Distrito Escolar de Little Lake. Desde su creación en 2010, LLEAF ha generado fondos que han ido directamente a los maestros para materiales y experiencias que contribuyen a la educación que nuestros estudiantes reciben.

El Consejo de Administración de la LLEAF es el órgano rector de la fundación. El Consejo del LLEAF está liderado por los Co-presidentes Tony Ayala and Jeff Mahlstedt. Otros miembros del Consejo incluyen al Tesorero Jose Manuel Rodriguez (maestro/padre del distrito), el Auditor María Gutiérrez (maestra del distrito) y la Secretaria Lisa Chavarria (empleada del distrito). Otros miembros que conforman la LLEAF son: Bertha Aranda (empleado del distrito); Lynn Berg (ex miembro del Consejo del LLCSD); Manny Correa (empleado del distrito); Bill Crean (superintendente del distrito); Efrain Gastelum (padre del distrito); Maria Gonzalez (empleado del distrito); Ana Gutierrez (empleado del distrito); Martha Hanamaikai (padre del distrito); Janice Lawver (ex empleado del distrito); Arais Madan (empleado del distrito); Jeff Mahlstedt (promotor de la comunidad); Martha Rangel (padre del distrito); Laurie Rios (miembro de la comunidad); Yasmin Ruiz (maestra/padre del distrito); Dora Sandoval (miembro del Consejo de LLCSD); Jay Sarno (Miembro del Consejo de la Ciudad de Santa Fe Springs y promotor de negocios); Luigi Vernola (Miembro del Consejo de la Ciudad de Norwalk y promotor de negocios); Hilda Zamora (miembro del Consejo de LLCSD) and Jose Angel Zamora (Miembro del Consejo de la Ciudad de Norwalk).

Por último, por favor reserve el día Viernes 9 de Marzo de 2018 para el Torneo Anual de Golf de la LLEAF y espere mayor información.

BOARD OF EDUCATION • From Page

awards events (How great is it that we have so many in our district?); city council meetings; parent education classes; ASB activities; parades; Read Across America celebrations; math, science, and reading nights; "Battles of the Books"; science fairs; seasonal fairs and fundraisers; PTA/PTO meetings; staff development sessions; and so many more.

We enjoy each and every event. Our attendance is designed around your interests, and we share our participation at the Board meetings. Your Board also attends trainings for ourselves, such as an annual conference of the California School Boards Association, professional conferences, and Study Sessions held on regularly scheduled Board Meeting nights. The district's Educational Services, Personnel and Business Divisions, and other committees provide trainings to keep us up-to-date on issues surrounding our district, school districts in the Whittier area, and county, state and federal governments.

We look forward to attending the upcoming 2017-2018 events and trainings.

BOARD OF EDUCATION • From Page 1

intermedias; la promoción del Programa Puente de la Escuela Preparatoria Santa Fe; eventos de premiación (¿Qué genial es que tengamos tantos en nuestro distrito?); las reuniones del consejo de la ciudad; clases de educación para padres, actividades ASB; desfiles; celebraciones de Read Across America; noches de matemáticas, ciencias y lectura; "Batalla de los libros"; ferias de ciencia; ferias estacionales y eventos para recaudar fondos; reuniones PTA/PTO; sesiones de desarrollo del personal y muchas más.

Disfrutamos de cada uno de los eventos. Nuestra asistencia está diseñada en torno a sus intereses y compartimos nuestra participación en las reuniones del Consejo. También asistimos a capacitaciones para nosotros mismos, como una conferencia anual de la Asociación de Consejos Escolares de California, conferencias profesionales y Sesiones de Estudio que a veces ocurren durante las reuniones del Consejo. Las Divisiones de Servicios Educativos, de Personal y Empresarial del Distrito, así como otros comités ofrecen capacitaciones para mantenernos actualizados en los temas relacionados con nuestro distrito, los distritos escolares en el área de Whittier y el condado, el estado y los gobiernos federales.

Esperamos asistir a los eventos y entrenamientos durante el año escolar 2017-2018.
