

BOOK TWO IN THE BNB BIDDIES SERIES

WHY NOT BROCCOLI?

Nancy Lueder and Kay Coop

Welcome to the 2nd book in the BnB Biddies series.

In book one, *Better Than Butter*, our five main characters attended a high school reunion and found that even though many years had passed, their friendship was as strong as ever. All five were each BnB owners—one had become widowed, two had divorced, one was married, and the last remained single. Through their round-robin letters, we followed their lives. At a BnB convention, a

newspaper leads to their discovery of the true identity and reason for strange acts of a guest three had encountered.

In book two, *Why Not Broccoli?*, we follow the ladies into courtship, adventures, and the discovery of why cucumbers and pickles are becoming difficult to obtain. One remains married, two now have beaus, and two remain single and unattached.

Our characters are Lil, Ditty (Gregory, her man friend), Milly, Izzy (Jack, her man friend), and Babs (Gerald, her husband).
